Capt George W. Riley Co D 10th Ky Infantry having applied for a Certificate on which to ground an application for permission to go to the Officers Hospital at Chattanooga Tenn for treatment. I do hereby certify that I have carefully examined this officer and find him suffering from the effects of impure vaccine matter introduced into his system, and that in consequence thereof he is in my opinion unfit for duty. I further declare my belief that a change of air and rest from active duty in the field are absolutely necessary for his recovery. I therefore recommend that a pass be given him to the Officers Hospital at Chattanooga

The eleventh Kentucky regiment of cavalry is organized with only eight companies. Four more are necessary to complete its organization. I have permission from its commander Lieut. Col W. E. Riley to raise four companies with the promise of a Lieut. Colonelcy. I believe that I can succeed in raising them in six weeks time. I would therefore respectfully ask the permission to go to Kentucky for the time and purpose specified.

Capt. W. H. Riley.

The 10th Ky Regt has some thirty deserters who live in the district in Ky where Capt W. H. Riley lives Capt Riley is a suitable officer to have them arrested & sent to the Regt & he will attend to it promptly. his Company is in good condition and has two good & efficient Lieuts present

# FINAL STATEMENT

"H"

OF

Private Squire Rotitt

11th Reg't of Kentucky Infantry

"F."

VOLUNTEERS.

Killed Sept 1. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain, or other COMMISSIONED officer commanding the company will certify to the fact of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will entereall the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for [illegible] &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VOLUNTEER," (or pensioner,) the words as a VOLUNTEER, (or PENSIONER,) as the case may be, should be interlined after the words [illegible] date of muster. (*Act R. S.* A statement of all the [illegible] of Pensions or Pension Money RECEIVED by the Soldier [illegible] to appear on the back of each final statement.

## Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid in judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other persons having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding detachment of recruits, &c., &c.

## Note 2.

When a probable case for pension, special care must be taken to state the *degree* of disability—as 1, ½, &c., &c.; also describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will yield, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In cases of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

See 1980 Regulations, Edit. 1881.

Medical officers, in giving certificates of disability, are to be particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, hernia, fistula, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

## DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will examine and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will also sign the same, and forward them, through the proper military channels, to the Adjutant-General; or, if the troops are not attached to the army, to the War Department, or other commander or officer competent to discharge enlisted men may be specially authorized by it.

The duplicate, after having received the action of the higher authority, will be retained by the officer who signed it as the surgeon, and received to be sent, with the muster-out roll of the regiment, post, or detachment, to which he belongs, as well. If the discharge is authorized by the undersigned, after the surgeon signs the soldier's certificate, and the last papers are filed the soldier is furnished with the original certificate of discharge, and forwarded blanks of these certificates will be furnished by the Adjutant-General of the United States Army, at the request of any State authority entitled to them.

[illegible] Regt Ky Inf Vols has been about-
[illegible] the cause of which
I am unknown, he never exhibited any
signs of trouble upon any subject
whatever as known to myself or the Co.
The first I knew of it was his acts
& insubordination about ten days since,
at which time he was placed under
arrest, not for any crime but as
being deranged in mind. He talked
[illegible] of nothing, he did not connect
his words so as to form a sentence
and has never, since first discovered
this condition. He has continued
[illegible] worse all the time and often
[illegible]. I have been informed by
those who know that the disease is
hereditary. he has a sister an Aunt
and an Uncle in the like condition.
He has ever been a good and obedient
soldier, has never been reprimanded
once in the service, but has always
performed his duty well until this
misfortune was discovered. He is
a citizen resides near Lebanon Ky and
a respectable citizen in good circumstances
and desires to take him home with him.

# FINAL STATEMENT

OF

Pr. Thomas J Sellers

10th Reg't of Kentucky Cavy

6

## VOLUNTEERS.

Date August 18. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, enlisted by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the subject is a drafted man or substitute, the space for date, &c., of enrollment, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or re-enlisted,) the words "a veteran, (or re-enlisted,)" as the case may be, should be inserted after the words "Volunteers" in the center of the first page of the statement. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the regiment or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his pay and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the legal representatives of such deceased non-commissioned officer or soldier. And any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they leave the regiment or party they belong to for the time, have power to leave the regiment or party with the sanction of their commanding officer, or otherwise, they shall, before they be permitted to quit the regiment or party, deposit in the hands of the commanding officer, or of the next officer in command, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to the respective representatives.

# FINAL STATEMENT

OF

Pvt. John P. Sears

10th Regt of Kentucky

Co. E

VOLUNTEERS.

Camp Chandler, 1862.

NOTE 1.—Two of these certificates (for duplicate) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster his pay, due him, and the subsistence or other commutation to which he is entitled; and this company will certify to the fact of the delivery of the duplicate certificate on these certificates. The Soldier is entitled to leave the Paymaster's camp without waiting for the discharge of his company, and should then present his discharge to the Paymaster to be filled up by the Paymaster; the latter only retaining on his voucher the original certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be signed by the other when given the Soldier [illegible] and by the Company Commander when given to the officer. Dear Sir

My family, father, brother, wife and children are all ill. One of my children is dead another at the point of death. I am reluctant to leave my post of duty here when it is, as you are an impression duty just upon me to go to the relief of my suffering family. I am sure at home seems to be an absolute necessity. I therefore respectfully ask that you grant me a short leave of absence. My conviction of duty alone could induce me to make this application.

Yours Sir. Respectfully

Adjutant General's Office,

Washington, October 11, 1887.

This man deserted on or about January 3

, 1863, and was arrested

on or about January 12, 1864

at which he was subsequently restored to duty by

competent authority

without trial, but upon conditions which appear to have

been complied with (so far as not waived by the Government), the charge of desertion no longer stands

against him. The record of the fact that he was absent

by desertion from on or about January 3

1863, to on or about January 12, 1864,

should, however, be expunged.

As there is no further record

of this man subsequent to

Dec. 6. 1864. date when left at

Chattanooga Tenn. to rejoin

good time lost by desertion,
he is considered a deserter
from Dec. 6. 1864.
Application for removal of
implied charge of desertion

honorable discharge in this
case has been denied

I have the honor to submit herewith my resignation of the office of First Lieutenancy of Co G 10th Regt Ky Vols for the following reasons

During the Retreat of my Company there were but ten Privates and four Non Commissioned Officers present for duty. The Company has now one First Lieutenant and one 2d Lieutenant

That the conspiracy is small and that would not lead to arming Officers; and for the further reason that the Guerrilla has become dangerous by the small encouragement by the Rebel Authorities

Respectfully submitted and I believe that when the facts in the case in this affair are known it will be found that the conspiracy is greatly exaggerated
